

IN0108 – Market Development Manager China (m/f/d)

INDICAL - Who we are and what we do

At INDICAL, our purpose is to help to prevent and monitor animal diseases as well as antimicrobial resistance through improved diagnostic technologies. We offer immunology and turnkey molecular solutions, including automation. INDICAL is a leader in molecular diagnostics within the animal health space. We cover all aspects from R&D, production and supply chain/logistics to finance, business development, marketing & sales, regulatory affairs and quality control. Directly covering 17 countries, we are represented in over 160 countries and we are a rapidly growing, profitable science-based company.

We are currently looking for a Market Development Manager (MDM) in China.

Job description

The Market Development Manager is part of the Distributor Management / Sales Team and is responsible for:

- Driving sales in China
- Defining INDICAL's distribution strategy and managing our commercial partners in China (distributors, resellers, agents etc.)
- Working hand in hand with INDICAL's customer care department, the MDM manages complex logistic requirements and monitors deliveries to ensure product quality and customer satisfaction.
- Maintaining the ERP and CRM systems for China
- Building and run reports including accurate product and sales forecasts for China
- Monitor tender databases and coordinate export projects with international organizations (WHO, UN, etc.)
- Working on marketing plans and helping to roll out marketing campaigns for China hand in hand with INDICAL's Global Marketing team.

Besides being the first contact of the commercial partners, the MDM is also the first contact for any technical support.

Position requirements

Applicants should have at least three years' experience in sales, business development or in a similar position; ideally in applied sciences / production of animal veterinary diagnostics.

The ideal candidate should have proficiency in distributor management and international trade, work with CRM (SalesForce.com) and ERP (Microsoft Dynamics) systems and be familiar with Marketing tools.

Personal requirements

The desirable candidate is required to have the following skills:

- Fluent in English and Chinese
- Be organized, meticulous and systematic
- Be organized, service-oriented, meticulous and systematic
- Have a can-do mentality and embrace teamwork with cross-functional teams
- Experiences with MS Navision or other ERP and CRM systems beneficial
