

# Rapid and reliable automated nucleic acid extraction

Start your IndiMag all-inclusive monthly or quarterly subscription today and get everything you need for efficient automated nucleic acid extraction from a whole range of samples.

Receive as many IndiMag 48s instruments as you need. No upfront costs.

Select the number and type of IndiMag kits you need each month.

Rely on full-service support, including onsite repair and replacement of units.

# Gain the power and flexibility of IndiMag with this monthly or quarterly subscription

- INDICAL's IndiMag subscription program offers a flexible and affordable solution for automated sample processing using the complete IndiMag platform.
- Your full-service agreement includes a commitment to repairing or replacing the instrument(s) if issues arise.
- Contract duration can be 12, 24 or 36 months.
- The sample volume commitment can be tailored to the needs of your lab.
- The instrument(s) remain(s) the property of INDICAL. At the end of the contract, you may cancel the contract and return the instrument(s) or extend the contract with the same or a new instrument(s).
